MADE IN SPAIN

Original. Expressive. Confident.

One of the world's leading names in bathroom products, Sonia accessories are created and manufactured in Spain. And you can tell. Each Sonia range proudly displays the latin flair of its heritage. Original. Expressive. Confident. Sonia's design team strive relentlessly to create beautiful, individual objects that are of the highest standard. Their creative passion is matched by an obsessive commitment to quality in construction and materials. From the durability of the fixing points to the flawless finishes, Sonia accessories will make an enduring statement in your bathroom.
